Global learning, local excellence.
Discover the Cambridge Curriculum.

Our international model is designed to educate our students as responsible, active, well-informed members of the global community with outstanding communication skills.

PRESCHOOL

Our comprehensive programme nurtures early language development through strong phonemic awareness in a stimulating environment. English immersion begins at the age of 1, increases to 100% at the age of 2, and continues at 60% for children aged 3 to 5—supporting confident, bilingual Cambridge learners from the start.

The Cambridge Curriculum continues throughout primary, with 60% of subjects taught in English. Progress is monitored through Cambridge assessments such as Progression Tests and Checkpoints. Early literacy is nurtured through our Word Study programme, while our Public Speech programme develops students' oral expression and communication skills.

PRIMARY

In secondary education, students continue their learning journey along the Cambridge pathway with 60% of subjects delivered in English. They lead up to IGCSE examinations and official external language qualifications, including Cambridge English (C1 & C2) and DELF French (B2).

SECONDARY

With high English immersion and a strong academic foundation, our students are well-prepared for university studies both in Spain and abroad. (C1 & C2).

UPPER SECONDARY

CRITICAL THINKERS AND HIGH ACHIEVERS

The Cambridge International Curriculum sets a global benchmark for academic excellence. Recognised by top universities and employers worldwide, it offers a flexible, challenging, and culturally sensitive approach that inspires lifelong learning and prepares students for global success.

INTERNATIONAL SCHOOL ENVIRONMENT

CULTURAL INTERNATIONAL EVENTS

We celebrate global traditions such as Thanksgiving, St. Patrick's Day, Book Week, Jeans for Genes, Science Day, International Day—bringing the Anglo-Saxon culture into our classrooms. Through these vibrant celebrations, we empower our students to become open-minded, culturally aware global citizens ready to thrive in an interconnected world.

VOLUNTEERING, COMMUNITY SERVICE AND LEADERSHIP

We foster leadership by encouraging students to engage in missions, charity events, and volunteer programmes that cultivate empathy, initiative, and a sense of purpose. Throughout the year, students are invited to participate in meaningful charitable initiatives—from fundraising appeals to awareness campaigns—promoting social responsibility and a lifelong commitment to serving others. These experiences help shape compassionate, active global citizens who lead with heart and integrity.

PUBLIC SPEAKING PROGRAMME

From the age of three, our students begin developing essential communication and leadership skills through our Show and Tell, Public Speech Programme, drama, and debates. These activities nurture confidence, voice projection, non-verbal communication, and persuasive speaking. Through theatre and performance, students further refine their oral and physical expression. They not only create and perform their own plays but also enjoy professional theatrical productions brought into the school—fostering creativity, collaboration, and stage presence from an early age.

HOUSE SYSTEM

It promotes internationalism, a strong sense of belonging, collaboration, and teamwork. All pupils—from Infants to Secondary—are proudly placed into one of our four Houses: St Andrew's, St David's, St George's, and St Patrick's. Throughout the year, House Days and friendly competitions encourage pupils to earn House points, build camaraderie, and take pride in their House. This cherished Anglo-Saxon tradition strengthens community spirit and helps students form lasting bonds across year groups.

INTERNATIONAL TRIPS

We provide students with opportunities to experience growth within an international and diverse culture.

INTERNATIONAL COMPETITIONS

BIMUN Programme: An educational and simulated activity where students represent countries in UN bodies, debating and negotiating on issues of global interest.

INTERNATIONAL STUDENTS

We promote language and cultural exchange.

PERSONALISED GUIDANCE

For students aspiring to university education abroad.

OTHER INTERNATIONAL PROJECTS

EUROPA SCHOLARSHIPS

Students can apply for the Europa Scholarship Programme organised by the Francisco de Vitoria University, part of the Regnum Christi network.

INTERNATIONAL FACULTY

With experience and international qualifications.

ACCESS TO INTERNATIONAL UNIVERSITIES

Some of our students choose to study abroad. We work closely with the IEC to support and assist our students throughout the admissions process to universities abroad.

INTERNATIONAL EXCHANGES

Exchange Families International (EFI) is an international organisation that facilitates cross-cultural education through reciprocal exchanges for children aged between 8 and 17.

SUMMER COURSES ABROAD

In our network of Regnum Christi schools/academies abroad, students have several options, from a term-long programme to a full academic year, to a summer camp.

TRIPS AND MISSIONS IN EUROPA AND LATIN AMERICA

During the summer, our students, accompanied by their instructors, have the opportunity to volunteer part of their vacation time to help others.
